Summary of Legislation: This bill establishes the Indiana Scheduled Prescription Electronic Collection and Tracking (INSPECT) program within the Professional Licensing Agency. The bill moves the responsibilities of the Controlled Substances Central Repository to the INSPECT program. It also provides that the administration of the INSPECT program may be contracted to an outside vendor. It permits the INSPECT program to certify who may receive information from the INSPECT program. The bill also allows the Controlled Substances Advisory Committee (Committee) to set educational standards for individuals who receive information from the INSPECT program and to identify treatment for individuals addicted to substances monitored by the INSPECT program. The bill provides that information concerning when certain controlled substances are dispensed is required to be transmitted to the INSPECT program within seven days after the controlled substance is dispensed. It also provides immunity from civil liability for a practitioner, the Committee, The bill r the INSPECT program regarding providing or receiving certain information. Repeals definition of "central repository". It also repeals language concerning expenses for the central repository.
